Dear Parents,

Happy Thursday to you all. I hope that you and your families are well and ready for the start of our winter holiday period. I know that I am very much looking forward to spending some quality time with my family, on a short break to Sri Lanka and here in Abu Dhabi. Although it is the winter break, a lot of our school community will celebrate the holiday according to their own traditions - one of the advantages of being in such a multicultural community is the ability to share in a myriad of celebratory occasions.

Our children may be dazzled by the magic of colours, regular abundance of sweet treats and the promise of presents. But what about parents? As parents we are the providers for presents and for wishes to come true, so it is in the giving that we receive; children's smiles of joy and the priceless time spent together with family are surely enough reward in themselves.

I do hope that you and your families have a glorious holiday period together. It can be a stressful period for so many people, particularly those who are less fortunate than us. I hope that you get the balance right between celebration and over indulgence, taking the necessary amount of trips to meet up with family and friends and taking time to enjoy periods of relaxation, just the right amount of time spent with extended family members.

Above all else I wish that children's wishes come true and you spoil them...with love!

“Too much love never spoils children. Children become spoiled when we substitute ‘presents’ for ‘presence’.”

I would like to take this opportunity to thank all of the children, teachers, administrators and ancillary staff here a very break and a prosperous start to 2019. Many thanks for your continued support and I look forward to seeing you again in the new year.

Letter from School Principal

We strive to provide our students with the highest quality of education and of care, however, we can only accomplish this effectively with the continued support of families. We are grateful to receive suggestions from families to help us make improvements and feedback in order to address any serious concerns that may arise.

We would like to make the process as easy as possible for a complainant to submit their complaint to us and we accept that the process should be simple, impartial, timely, honest and reasonably flexible. We appreciate all assistance we receive from you in this way, knowing that we wish to make Belvedere British School a memorable learning environment for your child, and can only do that when any existing problems are brought to our attention. We will do all that we can to ensure that complaints are dealt with seriously and respectfully by all members of our staff, and we hope that all others will respect this vital procedure equally.

We will record the progress of each complaint from the moment it is brought to our attention, including details of all actions taken in response to achieve a resolution and the outcomes of those actions. The BBS Administration staff will hold these records and parents can be assured that all concerns and complaints will be treated seriously and confidentially.

- All parents are members of the BBS Community and have the right to make a comment or complaint about any services, activities, experiences or the way that they are treated.
- Staff at school and in other services must listen to parental complaints and let them know the outcome.
- If any parents have a complaint about any aspect of the school, they should raise it to the attention at the School Reception, so that it is appropriately lodged as a complaint; it would help if they tried to provide a solution too.
- The Administration Staff will log the complaint and pass it on to the most appropriate person to deal with it in the first instance.

2. Head of Key Stage/Assistant Principal Pastoral – Mrs. Anam
3. Head of Primary/Secondary – Mrs. Leanne/Mr. Tony

The full BBS Complaints Policy, along with all BBS policies, will be made available on Engage very soon.

Letter from the Head of Primary

Dear Parents,

What an amazing term we've all had. It has been very busy but I am very pleased with the amount of progress the students have made since they started in September.

Winter Performance

It was wonderful to see so many of you at our winter concert. I think you will all agree that it was a huge success. The children performed very confidently but still showed that they had fun. I would like to say thank you to everyone involved in making sure today was a success particularly to Ms Louella for all the hours she's put into practising with the children (and staff). Having such positive feedback from parents has been overwhelming and hopefully, this will be the first of many.

Homework

We have not set any homework over the winter break, however, your children are more than welcome to use Education city, Word mania and Oxford Owl.

Although I have only been here for a short amount of time I can see a community building. To work alongside such inspirational and hardworking staff is such a privilege. Thank you to all our parents for your support this term, please continue to support us by attending any events we put on in the new year.

I wish you all a very wonderful and restful winter holiday. For those of you travelling, please travel safely. I look forward to welcoming our students and staff back on January 6th.

Pastoral Message

Dear Parents,

This Term comes to an end and winter break is here. This term has been wonderful and students showed great progress in all aspects of their school life. Students behaviour improved massively and they are now showing more responsible attitudes towards their learning, we can see more sense of respect for others and themselves as well. As now BBS is focusing more on reward culture, students are putting more efforts in their academics and behaviour. Students with most house points, and 100% attendance and Tutee of the Term 1 will be announced after the winter break. Thanks you to all and students who applied for student council in Primary section. Elections will be held after the winter break.

Our student council and prefects in Secondary did amazing work during Term 1 by conducting Anti Bullying Week and Charity campaign. Thanks to all the parents and students who participated in our charity campaign.

Have a nice and relaxing Winter holidays. See you all back to school after holidays. A very happy Christmas to those who are celebrating.

Attendance Letter

Attendance Matters

Dear Parents,

A child who is late for 12 minutes each day for a whole week loses 1 hour their learning. It is very important to ensure that your children are in school on time everyday.

We begin each day at 7:30 sharp. Please ensure your child arrives at least 5 minutes before the start time. The playground doors open at 7:10am.

If your child arrives after 7:30am, they are LATE. You cannot hold us accountable for the academic success of your child, if your children are not on time and present to learn.

Our aim is for attendance to be its highest compared to previous years. I know that we can do it because **you** want your children to succeed just as much as we do here at BBS.

What are we doing to improve attendance?

If your child has-

- | | |
|--|----------------------------|
| ● 100% attendance for a full half term | = Bronze Attendance Award |
| | = Bronze Punctuality Award |
| ● 100% attendance for a full term | = Silver Attendance Award |
| | = Silver Punctuality Award |
| ● 100% attendance for a full year | = Gold Attendance Award. |
| | = Gold Punctuality Award |

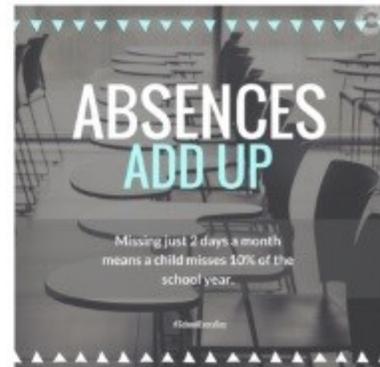

The class with the highest attendance, will win the Attendance Stars Class award .

The class with the highest punctuality rate, will win the Punctuality Stars Class award.

How can you help?

You can support us by:

- Sending your child to school daily and on time.
- Discussing with your child that it's important for them to come to school.
- Celebrating their success with them.
