Dear BBS families,

We had an amazing end to the week with our House Quiz on Thursday:

This was our inaugural event in which we celebrate our House system and pitch each House against each other in fun organised learning activities.

Both Year 6 and our 6th Form competed against each other in a bid to win House Points. Mr Jay did a fab job as Quiz Master and Mr Sheman (as Head of Houses and our Pastoral Leader) did an equally fab job devising the questions.

There were several rounds devoted to Science/ General Knowledge/ Geography/ Music and the like and great fun was had by all. It was a wonderful team building and learning experience for everyone involved.

To add to the excitement all staff and students were encouraged to either wear a House PE T Shirt or dress in the colours of their House in support of their Team.

Houses are a uniquely British convention which we are proud to support under the umbrella of our British education engendering British values here at Belvedere.

We will hold a House Day every first Thursday of the month so do look out for the next one which will be on Thursday 4th November ...

Healthy competition abounds throughout the school and not least within our Science department:

Scientist of the Year

Mouza Al Ali 11G

For outstanding effort, behaviour and progress in Science in the academic year 2020/21.

Mouza showed outstanding progress in Science throughout her IGCSE all due to her passion and dedication to reach her full potential.

She was selected unanimously by all of the Science department as her hard work and perseverance set a wonderful example for all other students in Belvedere British School.

Last week we held another session in our series of Meet The Leadership Team when Ms Wejdan as Head of Arabic presented her Arabic; Islamic and Social Studies Teachers. Huge gratitude to all participants and attendees. Our weekly Parents in Partnership sessions are proving very popular and extremely useful.

This coming Wednesday we would like to invite all parents to our Parent Association Meeting at 9am in which we hope to elect the committee and Class Representatives. Please do attend and stand so we may work together in Partnership for the betterment of the school community.

YOU ARE CORDIALLY INVITED

A gentle reminder that this week is Mental Health Awareness Week and we will be spending some time in Form Time during assemblies and PSHCE focusing on the importance of good Mental Health for all our stakeholders.

We will end the week on Thursday raising awareness of Breast Cancer by all wearing something pink.

Wishing you all a peaceful and relaxing break next week during our Half Term holiday.

The poster is set against a light pink background. At the top center is the Belvedere British School crest, which is a shield with a blue border, containing a large white letter 'B', the motto 'AD VITAM PARAMUS' at the top, and the year '1880' at the bottom. Below the crest, the text 'BELVEDERE British School' is written in a dark blue font. The central image is a white dove in flight, facing right, with a pink awareness ribbon tied around its neck. The words 'Breast Cancer' are written in a cursive script on the dove's body. Below the dove, the text 'BREASTCANCER AWARENESS MONTH 2021' is written in a dark pink, all-caps font. Underneath that, 'IT'S A PINK DAY' is written in a large, bold, white font, with 'PINK' in pink. Below this, 'On Thursday, 14th October 2021' is written in a dark pink font. A horizontal white line separates this from the final text: 'ALL STAFF AND STUDENTS MAY COME TO SCHOOL DRESSED IN SOMETHING PINK TO RAISE AWARENESS FOR BREAST CANCER', which is written in a dark pink, all-caps font.
