BBS Building Relationships and Partnering with Industry and Higher Education Institutions

Dr Ahmed and myself joined some of our Humanities team, Business teachers; STEAM leaders and University & Careers Guidance Counsellor to meet with Professor Gary Smith last week to enable a fostering of relationships between business, entrepreneurship and higher education.

Gary is Head of the Incubation Centre at Amity University in Dubai and also works with West London University in the UK and Pearson.

We discussed some fascinating ideas with relation to several initiatives that we may put in place here in school which will help our students in both their current and higher education and also support their chosen career path presenting them opportunities to further their learning experience.

We look forward to some amazing opportunities for our wonderful students in the coming year...

Parents Association (PA)

We are delighted that our Parents Association has now formed a committee and appointed some class representatives as you can see from the table attached. They still have some vacancies so if you would like to be involved please do email the address below. Similarly if you have any queries or suggestions please use the email address to get in touch using your school email address please.

parentsassociationteam@belvederebritishschool.com

All parents are warmly invited to all meetings as an automatic member of the Parents Association of Belvedere British School.

This amazing organization has some fabulous ideas and plans and we look forward to hosting some of them here in school. Please do get involved in any way you can. The partnership between home and school is invaluable to us and we heartily appreciate and thank all parents for their support.

British Schools in the Middle East Science (BSME) Key Stage 2 Science Competition

There will be an online BSME Science Competition for Years 3 to 6. Students have from Tuesday 16th until Thursday 18th November to solve the questions.

This will be done on the website – <https://www.educationperfect.com/>. Students will log in to their accounts with their Belvedere School email and it will ask them to reset their password. It can be completed at home in their free time or in school. A prize will be awarded to one student in each year group on Sunday 21st of November.

Please do support us in this venture at home to ensure a fun learning experience for all our students in these four year groups in Years 3–6 (KS2).

We are excited to participate as a school and look forward to awarding some well deserved prizes to our amazing students.
