Greetings parents,

We are having some amazing Sixth Form students – here are a few words from Ms. Natalie – Head of Key Stage 5 and her team

The results from the January 2022 exam session were released to our Key Stage 5 students on Thursday 3rd March.

We would like to congratulate all of our Key Stage 5 students on their outstanding grades!

We are extremely proud of the efforts and hard work of all students during the preparation for these exams and we would like to wish them well-deserved congratulations for their excellent grades. They have proven that dedication and hard work can result in excellent outcomes.

We will continue to provide all the help and support we can as they progress in their learning journey and we wish them all the best for their Mock Examinations as well as the Summer 2022 session.
