Hello Parents,

As many of you will know, we had a team from Abu Dhabi Department of Education & Knowledge (ADEK) in school this past week to conduct our Irtiqaa Inspection. They looked at all areas of the school. This year is slightly different from previous years as, due to Covid, we were inspected on 4 of the 6 Inspection Standards from the framework.

1. Students' Achievement
3. Teaching & Assessment
5. Protection; Care; Guidance & Support
6. Leadership & Management

Any kind of inspection brings with it stress and anticipation but we were confident going into the process as we have the most amazing team of staff; students and parents and our governance is insightful and supportive. The Inspection team spent time observing lessons; meeting with stakeholders – leadership teams; support staff; admin and also gave us daily feedback on every area of the school.

We will share the final report whenever we receive it, but in the meantime I would like to send huge amounts of gratitude to our fabulous community. We have marked improvement schoolwide and this is thanks to our fantastic team.

I am proud to lead such a truly wonderful school.
