## 12 JUNE 2022, EDITION - 31

Hello parents

We are so proud of our Art Department and our truly gifted and talented students who create the most amazing pieces. Allysa Cruz in Year 7 is one of the students of the Mawhibaty talent development programme for visual arts established by the Abu Dhabi Department of Education and Knowledge (ADEK) and the Department of Culture and Tourism (DCT).

She has been invited and encouraged to attend the VIP opening of their art exhibit at the Manarat Al Saadiyat.

Now for a few words from Dana and Dima in Year 8:

We're going to talk about our incredible basketball experience. Our team has been playing against our lovely friends this week and we had a blast. Mr Adel as well as our favourite instructor Ms Nairouz have been supportive of our endeavour. We gained camaraderie, teamwork and loyalty as a result of these local contests. Despite the fact that we lost at the end of the day, we had a great time. I'd like to express my gratitude to our school community for allowing us to take part in this incredible experience.

Thank you very much

## PARENT SATISFACTION SURVEY

We were delighted to receive our Parent Satisfaction Survey this week – the results are amazing! Thank you so much to all our marvelous parents who contributed to the survey. There was a vast improvement on the last one in 2017 – 2018. Onwards and upwards – always!

# A Decade of BBS

My name is Ms, Laura. I have been teaching at Belvedere British School since it opened in 2012.

It has been wonderful to see so many children progress and grow into inspiring young adults. My first ever students in the school are now approaching Year 9. Seeing them around the school always brings a smile to my face as do the parents who greet me every day. Without their continuous support, Belvedere wouldn't be what it is today.

It has been a pleasure and a privilege to watch the school grow over the years and it has gone from strength to strength.

I am excited to see what the future holds for Belvedere British School.

For the last few weeks our Parents in Partnership sessions have been targeted to specific groups – we had a group of parents who met with the ADEK Inspectors, then Prospective Parents visited the school for our Open Days and this week Year 4 parents requested a Catch Up – thank you so much to everyone who participated. The relationship between home and school is hugely important to us and we value your input. Should you identify a particular need please get in touch and we will happily schedule a session. In the meantime we would like to invite you all to next week’s Coffee with the Leadership Team in which we will share some updates; key dates for your diaries; plans for the next academic year and there will also be a Q&A session.
