BELVEDERE PROFESSIONAL DAY

This Friday the 7th of October - is our annual writing competition; which is a house event and introduction to the start of the house system.

The secondary school is participating in the writing competition and entries have been selectively put forward. Finalists from each house will showcase their work on Friday.

We would also like to invite both the primary and secondary to participate in our 'Professional Day,' taking place on the same day, (7th October 2022)

Our school motto is, "Preparation for life," and we want you all thinking about your professional career or post school journey.

Join in and dress up in the clothes of the profession you aspire to undertake.

Friday 7/10/2022

Because this is simply a fun dress up event for the whole school- it will not clash administratively or create any conflict with the writing competition.

It promises to be an exciting day of getting conversations started and getting students to aim high.

(Side Note :- House days are the first Friday of every month)
