

Vision, Mission and Values

Belvedere British School to provide an excellent teaching and learning environment where students achieve more due to the high standards expected from our educational philosophy. Ultimately we aim to prepare students for life, based on our values of Tolerance, Respect, and Responsibility.

We provide a holistic education and inspire lifelong learning. Our students are motivated to apply themselves so they achieve their full potential in all aspects of school life. We encourage high and realistic expectations, so our students have aspirations that take them beyond school to their own futures, in the UAE and internationally.

Hello Parents,

We have some amazing budding poets here in BBS - here is one of them:

TURMOIL

The hold that's really front,
Above all others is the lock.

Down, down, down into the darkness of the lock,
Gently it goes - the back, the fore, the rear.

I saw the the random capture of my generation destroyed,

How I mourned the loss

Now atomlike is just the disaster i needed
To get me wondering if this era is diminished.

Why would you think the handful is large?

The handful is the smallest indefinite quantity of all.

Are you upset by how brief it is?

Does it tear you apart to see the handful so piffling?

Poetry Competition.

Here are some fabulous achievements Key stage 2

Zayed Akrabi in Year 5B participated in the Louvre Marathon on Saturday, 14 January, and completed the 5km run. We would like to congratulate him on this wonderful achievement.

During the past week, we had a look at the student's uniforms and behaviour in class.

Year 5B received the certificate for the class that had the **BEST UNIFORM**.

Year 3A received the certificate for the class that had the **BEST BEHAVIOUR**.

CONGRATULATIONS TO ALL OUR STUDENTS. WE ARE SO PROUD OF YOU ALL.

SCIENCE

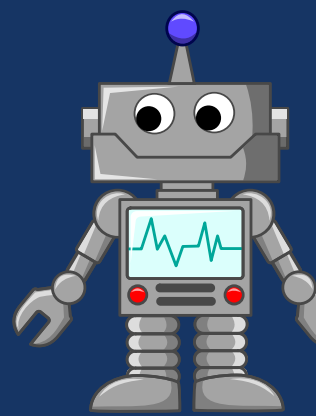

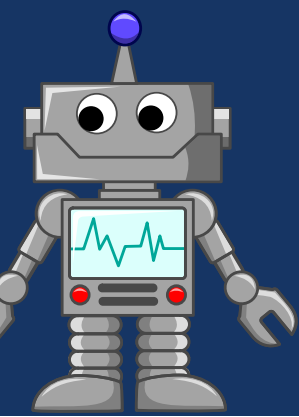

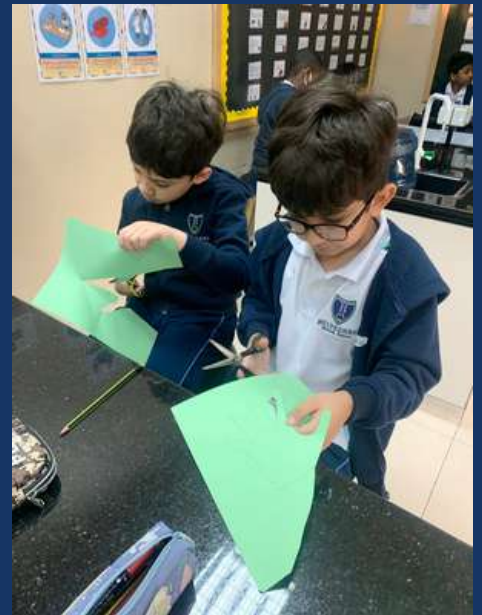

Congratulations to our Primary Scientists of the Month: Layan Kishk 3A, Taleen Hazeem 4D, Humiyra Uddin 5C, Jessy Ghaly 6C. Here are some recent experiments we have completed in Key Stage 2 with Ms. Rachel, Mr. Oisin and Ms. Amanda

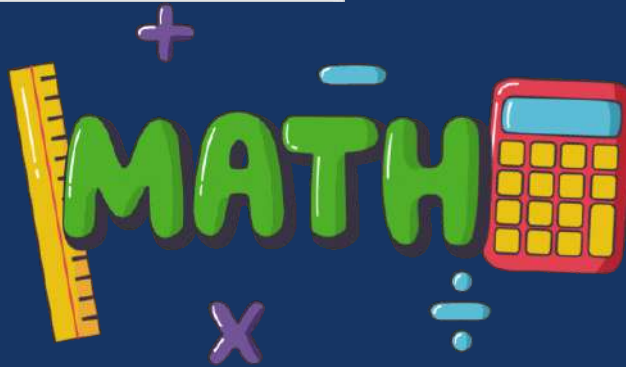

SCIENCE

Robotic Hand Experiment

The Years 3s completed a Robotic hand in Science using paper, straws and strings. They all enjoyed being in the Science Laboratory with Ms Dina and Ms Rachel.

During the revision week of term 1 the students in Key Stage 2 participated in a Times Tables Rock Star competition to help with improving their mental arithmetic in a fun and exciting competition. The year 3 and 4 students competed against one another and similarly the year 5 and 6 students competed against one another. This competition lasted the duration of the week and at the end of the week there were two overall winners. These students were awarded with their prize and certificate during the Key Stage 2 assembly in the Multi-purpose hall. The winner of the year 3 and 4 competition was Ashaz Adil in year 3C and the winner of the year 5 and 6 competition was James Monforte in year 6C.

BBS footballers were busy last weekend, when they participated in two tournaments simultaneously, in which we were represented by 5 teams.

The annual ADEK Football Cup competition was held at the Zayed Cricket Stadium, and BBS were outstanding as both the U13 and U15 boys' teams qualified to go into the next round which will take place on either the 4th or 5th of February. Our U13 students completed the group stage of the ADEK cup without conceding a single goal in 4 matches, and concluded the first round as top of the group with 8 points from 4 matches. Our U15 boys team also ended the group stage of the ADEK cup as top of the group by winning 2 matches and drawing one match. The team performed exceptionally in their final match against Royal American in which only a win would have been enough to secure qualification, and the team did just that, playing on the counter attack and winning the match by two goals to nil.

BBS had three teams participate in the BISAK 7s tournament, with the U14 and U16 boys team and U16 girls team.

All players performed at an outstanding level and showed great determination throughout the tournament. This was the first time our female team participated in this tournament, and they did very well throughout the tournament, getting two draws against Cranleigh and Repton School.

We extend our thanks to all the participants in these tournaments, and we value the cooperation of the parents and their assistance and support.

Well done to all and many many congrats to all our marvelous students on their many fantastic achievements.

Our Parents in Partnership session this week will again be given over to our Parents Association to please for International Day. Please join if you can...

All Parents are welcome!
