Belvedere British School to provide an excellent teaching and learning environment where students achieve more due to the high standards expected from our educational philosophy. Ultimately we aim to prepare students for life, based on our values of Tolerance, Respect, and Responsibility.

We provide a holistic education and inspire lifelong learning. Our students are motivated to apply themselves so they achieve their full potential in all aspects of school life. We encourage high and realistic expectations, so our students have aspirations that take them beyond school to their own futures, in the UAE and internationally.

Dear Parents,

We hope this email finds you well.

As we approach International Day, we are reaching out to you to invite you to participate in the preparations.

The International Day is an opportunity for our school community to come together to celebrate cultural diversity and promote international understanding. It is an important event that allows us to showcase the various cultures represented within our school community, and to learn more about each other.

To make this year's celebration a success, we would like to invite you to get in touch with the parents' association on: [parentassociation@belvederebritishschool.com](mailto:parentassociation@belvederebritishschool.com) to assist in the preparation and organization of the event. We believe that your participation will help ensure that the event is a memorable and enriching experience for everyone involved.

Thank you for your support and we look forward to working with you.

Sincerely  
Mr. Achraf Amriche
