Hello parents

What an absolutely amazing event we were treated to on Friday here in school.

Our Belvedere British School annual International Day was truly fabulous.

Here are a few words from our wonderful Parents Association Committee:

Hello,

A very good morning to all of you! Hope you all are doing well and had a great weekend.

I want to thank everybody who was part of this event - 'BBS International day 2023' and made it successful. A day filled with so much energy, proud smiles to represent their nations and the belief that we're together was a beautiful feeling to experience, as it served the purpose of the event. So far we've received positive feedback and all parents, students and staff have enjoyed themselves at the event. I want to thank school management for organizing this event and making all the arrangements for us. My heartfelt thanks to all the parents who participated and made the event run smoothly. Without everybody's cooperation and efforts it wouldn't have been possible. Looking forward to next year's event.

Thank you for all the support.

And a very apt response from our Activities Coordinator

Thank you for taking the time to write us such a kind email. We were delighted that our BBS community had a great time at our event.

At BBS, we always strive to make every event as enjoyable and educational as possible. We are so pleased that we could make this one a success!

We hope to see you at many more of our events in the future.

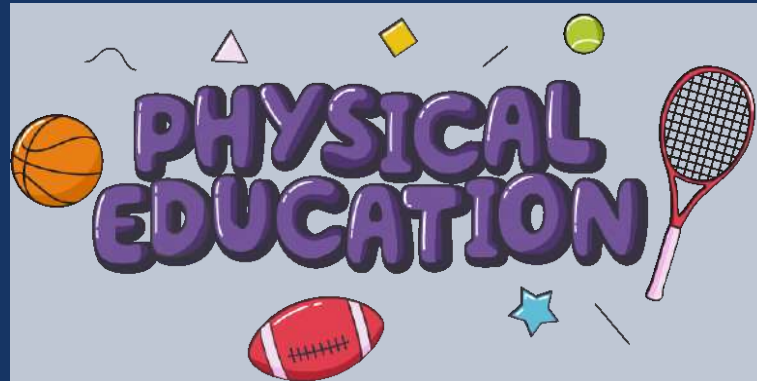

I can only add my thanks and acknowledgements to absolutely everyone involved - students, staff and parents alike. It was really fantastic!
