Hello Parents,

Here is the feedback about our school trip for the Year 5 & 6 students to Little World from Mr Marco:

Our Term 2 Trip for Years 5 & 6 was to Little World Discovery Center in Nations Tower Mall. Little World is the premier children's educational discovery center. Little World pioneers children's edutainment experiences and experiential learning opportunities. It is also the only center with a Black Box Theater for children in all of the Middle East featuring live interactive and immersive performances.

I would like to thank each and every student for their very good behaviour and for making the trip a big success.

STUDENT FEEDBACK

The trip was so good. The food was delicious and there were so many activities. There was a big fish tank for the fish, when I first put my hand in the tank I felt something so weird, the fishes were around my hand. Little World is amazing.
