Our Sixth Form students had a little respite last week from all their assessments:

The pizza party which occurred last Tuesday was organized as a way to congratulate the year 12 and 13 students on getting their results and going through their January exam session. We had all contributed by bringing money for the pizza and bringing other food as well. Overall we all enjoyed ourselves and are thankful to the teachers and principal who had helped organize the event for us.

- Aisha Tijani 12A

The senior pizza party was a fun celebration to congratulate us for our hard work during the January exams and our results. It was a fun and enjoyable way to destress with lots of different foods and sweets as well as a pleasant atmosphere.

- Maryam Ahmed 12A

We celebrated our exams ending and receiving our results by having a pizza party. There was a lot of amazing food brought in by everyone. It was fun and memorable. Everyone enjoyed it.

- Michaela Fox 12A

Us seniors all collectively got together and had a pizza party to celebrate our outstanding results on Tuesday! The spirit of joy and union was apparent all throughout the day. We all brought appetizers and desserts from home which made the experience a thousand times better as we the experience of having home cooked food felt personal and we felt much closer to our friends than ever before!

- Jenna Dawood 13A

Pizza day and Senior Brunch was an amazing experience. We enjoyed sharing the pizza and sharing food that we had made ourselves. We ate so much food to the point where we had no room left for supper. We are grateful for being allowed to take part in such a fun activity. It was definitely something I would love to do again.

- Rufaro Nicole Nyathi 13A

We are so incredibly proud of our Sixth Form students for many reasons - one of which is the outstanding academic success they have achieved. Mr Jay (our Exams Officer) is well placed to say a few words on the subject:

We recently had a chance to celebrate the successes of some of our students. Pearson Edexcel are our exam awarding body and every year they highlight particularly high achievers and reward these candidates with certificates of achievement. This year we were able to celebrate with three of our Belvedere Family.

First we celebrated Aisha for her achievements in her IGCSEs last summer. She achieved a total of six Grade 9's, one Grade 8 and a Grade 7. Aisha is now working towards her International A-Levels in Biology, Maths and Chemistry and we look forward to seeing her replicate that success.

Secondly we celebrated Shana, who achieved three A grades in her International A-Levels last year. Unfortunately she could not join us as she is studying in University, but we were fortunate to celebrate her successes with her parents.

Lastly we celebrated our former Head Boy, Mohammed Ahmed Kamran, who achieved two A* grades and an A. He was also unable to join us due to University commitments, but did give us a personal video!

We congratulate you all and wish you continued success in your future, and look forward to celebrating your continuing adventures and achievements.
