

Vision, Mission and Values

Belvedere British School to provide an excellent teaching and learning environment where students achieve more due to the high standards expected from our educational philosophy. Ultimately we aim to prepare students for life, based on our values of Tolerance, Respect, and Responsibility.

We provide a holistic education and inspire lifelong learning. Our students are motivated to apply themselves so they achieve their full potential in all aspects of school life. We encourage high and realistic expectations, so our students have aspirations that take them beyond school to their own futures, in the UAE and internationally.

SCIENCE

Dear Parents

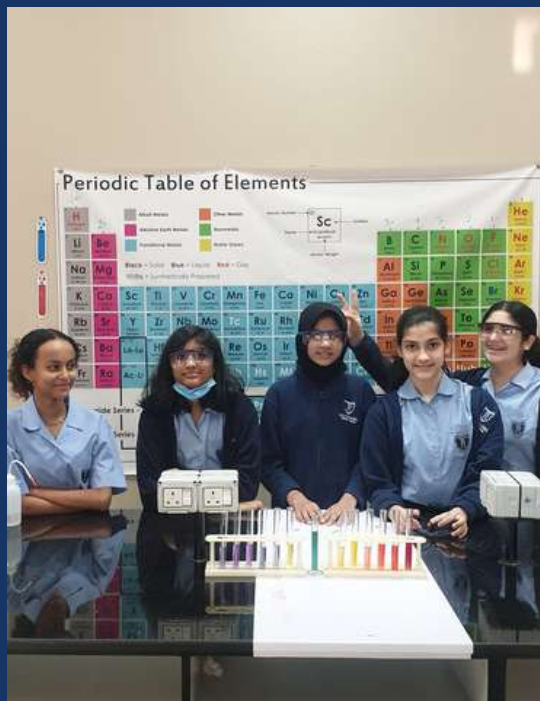

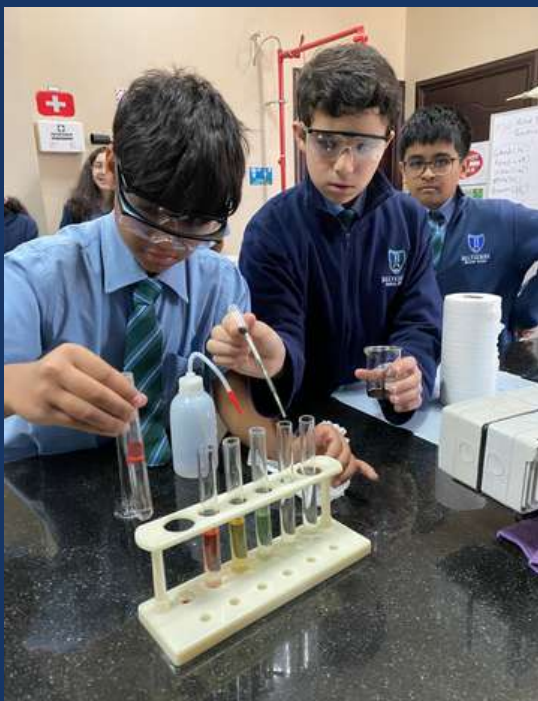

Ms Amanda and her team have been super busy this week in their Science lessons.

Year 6 students are learning about the Respiratory System in Science with Ms Amanda

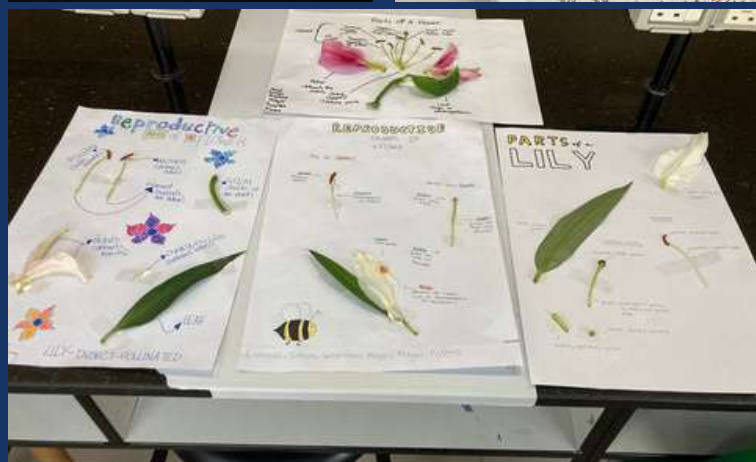

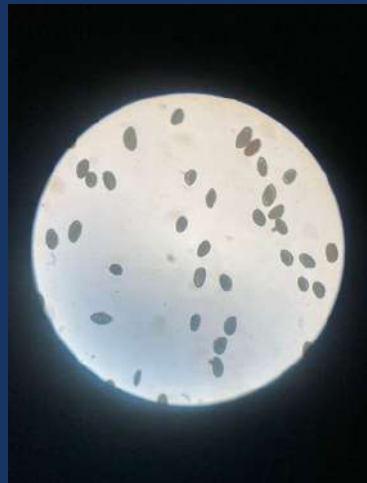

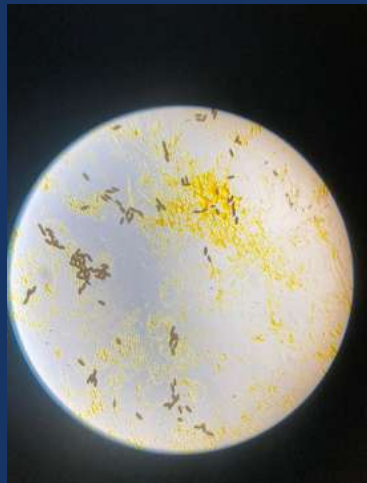

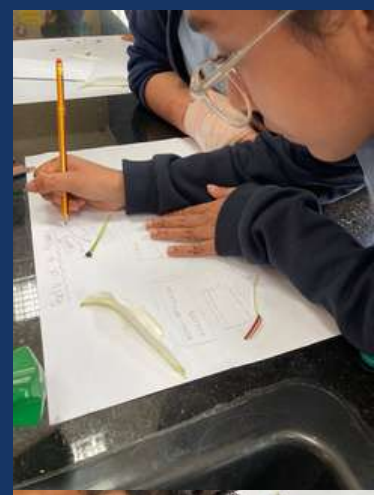

Year 7 students are learning about Acids and Alkalis with Ms. Amanda, Mr. Warren and Ms. Dina!

SCIENCE

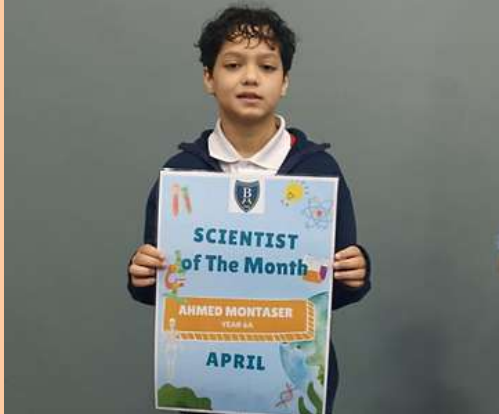

Year 8 students learned about parts of the flower and observed pollen under the microscope with Mr Warren

SCIENCE

Many congrats to all our Scientists of the month:

**Ahmed Walid Ahmed
Mahmoud Ali Montaser
6A**

**Naksatra Shankar Janu
5A**

**Isla May Dawson
3A**

**Rayyan Mismar
4C**

Dear Parents and Students,

We are thrilled to announce the upcoming film festival that will take place in our school Art Room this Friday 12th of May 2023. The venue is the perfect location for a film festival, providing an immersive cinematic experience for all attendees. The film festival promises to be an incredible experience that will showcase original animation and short films. Featuring a diverse selection of films from a range of genres, including drama, comedy, and action, the film festival is sure to have something for everyone. Whether you are a seasoned or a casual movie goer, you will be captivated by the selection of short films on offer. This year & 9's film festival will feature films that have been made and directed by our year 10 English First Language students. There are some popular names as well as lesser-known gems that are sure to become new favourites. There will be something to delight, challenge, and inspire everyone who attends.

The film festival will also offer opportunities for interactive sessions, workshops, and discussions with our year 10 experts. You will have the chance to learn about the creative challenges of storytelling, and the importance of visual storytelling in our modern world. We encourage all students and parents to attend this remarkable event and experience the magic of cinema in a unique and inspiring way. Come and be part of this unforgettable celebration of film and creativity.

Yours truly,
BBS English Department

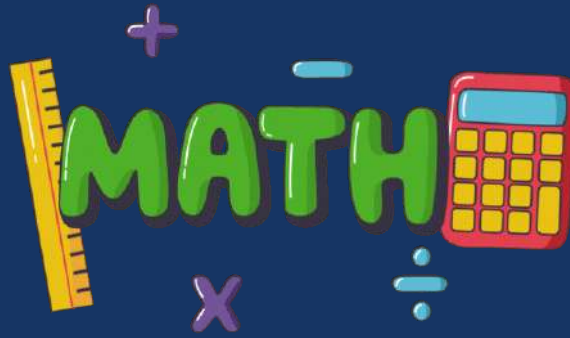

Reading competition winner

Congratulations Mariam Omotola Tijani 7B.

On Friday the 5th of May 2023, the Maths Department hosted the annual Pi-Day competition. We are very proud of all our participants. Our winner, Muhammad Sarim Ali Khan (7C) recalled an astonishing 250 digits of Pi. Second place went to last year's champion, Samuel Ibrahim (8C) with 134 digits of Pi. In third place we had Bhavika Unni (9G) with 122 digits of Pi. The lowest number of Pi-digits recorded was 62 digits . Thank you Ms Nash and the Maths department for a great competition.

GARAGE SALE

Our garage sale was a resounding success last Friday - huge amounts of thanks are due to all those who helped; contributed and attended:

Have a good week everyone!
