Vision, Mission and Values

Belvedere British School to provide an excellent teaching and learning environment where students achieve more due to the high standards expected from our educational philosophy. Ultimately we aim to prepare students for life, based on our values of Tolerance, Respect, and Responsibility.

We provide a holistic education and inspire lifelong learning. Our students are motivated to apply themselves so they achieve their full potential in all aspects of school life. We encourage high and realistic expectations, so our students have aspirations that take them beyond school to their own futures, in the UAE and internationally.

Hello parents

What a fabulous beginning of term we have had!

As promised please see below for part two in our series of self introductions of our amazing new staff:

Ms. Ching Daphne Lam

Mrs. Lam graduated with a masters in Chemistry at University College London. She then went on to pursue an education degree and taught Science for 5 years in schools around London. She enjoys helping students see the world in a new way through her subject and uses student driven learning techniques to help them understand new concepts. She believes in educating the whole student, instilling in them the values of perseverance and kindness and encouraging a growth mindset

Ms. Iram Ali

Hi everyone!

My name is Mrs Iram and I am the Secondary Humanities teacher focusing on Geography and also the Year 6 Topic teacher.

I am from London and have been teaching at Secondary in the U.K for the past 5 years now, and this will be my first year teaching in the UAE!

This is my first time being in Abu Dhabi, so I am very excited to explore the UAE!. In my spare time I enjoy reading books, playing the guitar and going out for food.

I love teaching and inspiring young minds to become creative thinkers and independent learners.

Ms Nash and KS3 focused on charity this week! She writes - It's always great to see students and teachers coming together to make a positive impact. The charity drive was organized by Ms Shenise and her form class 8B.
