Hello Parents,

Our Personal, Social, Health & Citizenship Education programme is running extremely well throughout the school Mr Achraf and 8C focused on Empowering Democracy during this week's assembly.

Our amazing charity work continues with Ms Eman our Social Worker and Mr Achraf our Activities Coordinator doing a fab job with our wonderful students.

During International Charity Week, our students saved no effort to show compassion and donate to charity. At BBS, We have been collaborating with the UAE Red Crescent and they collected our students' donations today. Thank you to all our amazing students and wonderful families for showing kindness to the world.

We celebrated International Literacy Day royally here in school:

Congratulations

A word below from Mr Achraf about our upcoming Jeans for Genes day this Friday:

"Jeans for Genes" is a charitable campaign encouraging people all over the world to wear jeans on the 22nd September and donate to support research and awareness for genetic diseases. It is a great initiative to raise funds and awareness of genetic illnesses.

BBS participates this year in this campaign on Friday, September 22, 2023, we are going to:

1. **Wear Jeans:** Wear jeans to support the cause on the designated day. You can pair them with your school T-shirt or wear Blue if you do not own jeans.
2. **Donate:** Contribute 10 AED or more to the UAE Genetic Diseases Association.

By participating in "Jeans for Genes," you are contributing to a worthy cause but also helping to raise awareness about genetic diseases and the importance of supporting those affected by them. All the contributions will be donated to the UAE Genetic Diseases Association (GDA)
