## Vision, Mission and Values

Belvedere British School to provide an excellent teaching and learning environment where students achieve more due to the high standards expected from our educational philosophy. Ultimately we aim to prepare students for life, based on our values of Tolerance, Respect, and Responsibility.

We provide a holistic education and inspire lifelong learning. Our students are motivated to apply themselves so they achieve their full potential in all aspects of school life. We encourage high and realistic expectations, so our students have aspirations that take them beyond school to their own futures, in the UAE and internationally.

# MATH

Congratulations to the KS3 Math Mind, Motivated, and Masters for September 2023!

We are excited to kick off this school year by celebrating the outstanding achievements of our Key Stage 3 students in mathematics. It is with great pride that we announce our Math Mind, Motivated, and Masters for the month of September 2023. These students have displayed exceptional dedication and enthusiasm towards mathematics, and their efforts deserve recognition.

## Math Mind

Our Math Minds of the Month for September are James Monforte, Manuela Ocampo, Aymen Benayad, Roni Tadros, Jasmin Alghouleh, Bayan Abuelhassan, Poojitha Puppala, Hamad Alansari and Moaz Gad. Their passion for mathematics is truly commendable. They consistently demonstrate a deep understanding of mathematical concepts, engage actively in class discussions, and eagerly take on challenging problems. Their inquisitive nature and problem-solving skills serve as an inspiration to both peers and teachers. Well done, Math Minds!

To be continued.....

# Motivated Mathematician

In the category of Motivated Mathematician, we are thrilled to recognize Abdulla Obaid, Saanvi Abeesh, Ameena Thuppanath, Hussein Al Sultany, Laila Alsmadi, Zainab Ahsan, Salwa Sinno, Alan Christy and Muhammad Ramiz. Their determination and eagerness to improve their math skills have been outstanding. They actively seek additional practice, ask thoughtful questions, and show a genuine interest in exploring various math topics. Keep up the excellent work!

# Math Masters

Our Math Master for September is a student who consistently excels in the mathematics coursework. Their high levels of achievement, strong work ethic, and ability to grasp complex mathematical concepts set them apart. Congratulations to Maira Merchant Silver Medal Math Masters who joins Hussein Al Sultany and Gerilyn Zambuko on the Maths Master team.

We commend these students for their dedication and encourage them to continue their outstanding work in mathematics. As we move forward in the school year, we encourage all Key Stage 3 students to be inspired by the achievements of our Math Mind, Motivated, and Masters for September. Mathematics is a subject that rewards persistence and curiosity, and every effort you put into it will undoubtedly contribute to your growth and success.

Once again, congratulations to our Math Mind, Motivated, and Masters for September 2023. Your passion for mathematics is truly inspiring, and we look forward to seeing your continued accomplishments in the months to come.

Keep up the great work and motivation towards maths!

# Student Council

We are thrilled to announce our Key Stage 4 leadership team. Our focus on Student voice is relentless and hugely valued. We would like to thank all our fantastic student leaders for putting themselves forward to perform these roles .

Anja, a dedicated student at Belvedere British School, has been selected to join the student council. Her unwavering passion for art and her talent for formulating creative ideas define her unique identity. As a student council member, she envisions fostering a culture of artistic exploration and innovative thinking among her peers. Anja's presence promises to enhance the school community by nurturing a vibrant atmosphere of artistic expression and idea generation..

Steven, an academic standout at Belvedere British School, has been at the school for one year. Despite this relatively short time, he has cherished numerous enriching experiences. Steven values the support and cooperation of his teachers, relishes opportunities for impactful presentations, and has thoroughly enjoyed school trips that facilitated bonding with classmates. His eagerness to join the student council reflects his anticipation of the promising opportunities it holds for both him and fellow students.

Sara, a passionate student at Belvedere British School, has been selected for the student council. Her love for socializing and all things art defines her unique personality. Her artistic talents are showcased in various school projects and events. As a student council member, she envisions promoting creativity and cultural appreciation within the school community. Sara's journey promises to infuse the school with a love for literature and art, enriching the overall student experience.

Naif, a dedicated student at Belvedere British School, has earned his place on the student council. His passion for science subjects and football defines his diverse interests. Naif excels not only in academics but also on the football field, showcasing his talent and determination. As a student council member, he aims to promote both scientific inquiry and sportsmanship among his peers. Naif's presence promises to inspire a love for learning and sports within the school, enhancing the overall educational experience.

Aryan, a dedicated student at Belvedere British School, is now a part of the student council. His leadership shines through in his passion for football and his commitment to school projects. Aryan's love for football is evident both on and off the field, where he embodies teamwork and sportsmanship. As a member of the student council, he aims to foster unity and inclusivity within the school community. Aryan's journey promises to bring positive change and enhance the school experience for all students.
