Hello all

Our Parents Teacher Student Conferences (PTSCs) were a huge success last week despite the horrendous weather conditions. Our team leapt into action and produced an online version seamlessly as soon as ADEK announced the DL directive. Fabulous organisation resulted in extremely well attended fruitful and purposeful meetings..Thank you so much to everyone involved.

Senior girls basketball played a friendly fixture against Maplewood School on Tuesday, October 31st. The girls played well, and with a lot of them, this was their first game of basketball! The standout performers were Judy, Mariam, and Geraldine. Overall, the girls had a great experience, and we look forward to playing Maplewood again.

To add.. We would like to thank all the Belvedere staff for their awesome support!!
