Vision, Mission and Values

Belvedere British School to provide an excellent teaching and learning environment where students achieve more due to the high standards expected from our educational philosophy. Ultimately we aim to prepare students for life, based on our values of Tolerance, Respect, and Responsibility.

We provide a holistic education and inspire lifelong learning. Our students are motivated to apply themselves so they achieve their full potential in all aspects of school life. We encourage high and realistic expectations, so our students have aspirations that take them beyond school to their own futures, in the UAE and internationally.

Dear Parents,

Please see the following message from Aisha, Younma and the Operation Smile club regarding the work they have been doing to support the medical team who are a part of Operation Smile.

"The Belvedere British School Operation Smile club has been working hard to make token bags for the medical volunteers who will be participating in the local surgical program this November. These bags are a way for us to show our gratitude to the medical volunteers, and they contain items such as a bracelet, 1 mini Arabian cup, fruit juice, snacks, chocolates and a hand-written appreciation card made by our club members. At the end of the surgical program, the token bags will be distributed to the medical volunteers as a small token of our appreciation for their hard work and dedication."

Our wonderful school community cares very much about our environment and as part of our commitment to the protection of it and recycling we have created clubs here in school dedicated to raising awareness and creating a more sustainable future.

Kindly note that the sustainability club signed up for a plastic bottle competition.

The idea is to collect as many plastic bottles as possible. Thus, this will also be shared with teachers, students and parents to be able to achieve the target.

*Moreover, kindly note that it was agreed to have a designated area in the bus bay in which all the plastic bottles could be placed as our sustainability boxes will not be enough.

Thanks to Mr Achraf our Activities Coordinator and his amazing team we have taken some fabulous school trips this term. Please see some photos below as highlights from the SeaWorld trip last week. Our 7 to 11 students enjoyed their day exploring all about marine life @seaworldyasisland

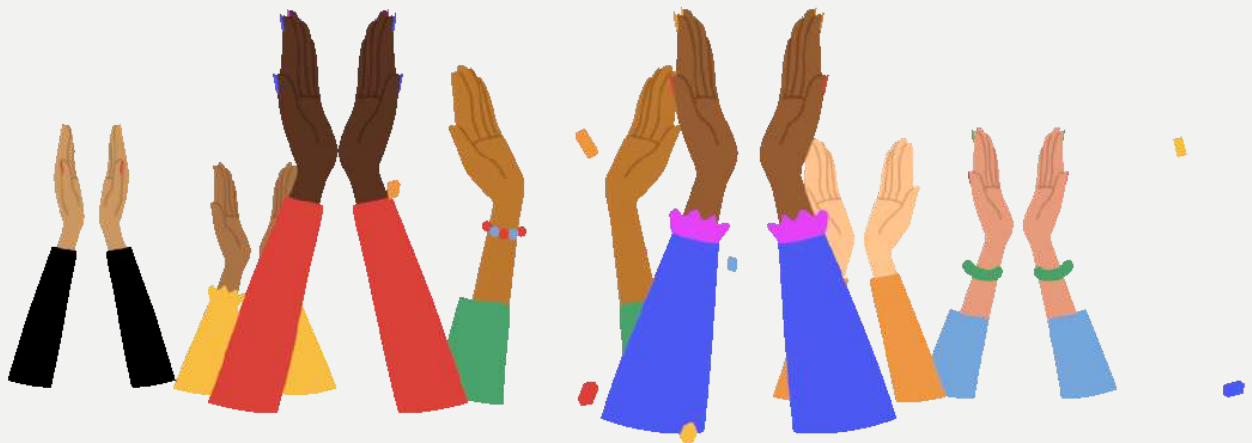

well
done!

Congratulations

*Great KS3 assembly today! Mr. Johnson and 7C explored Gen Z and social media, while Ms. Iman rewarded 8C, Mr Achraf's form class, for their outstanding behaviour.

I am ever thankful for our marvelous team and how that teamwork manifests itself on a daily basis here in school. Last week it resulted in a truly remarkable Flag Day. We all know how lucky we are to live in this fantastic country and relished the opportunity to celebrate that fact.
