Key Stage 2 Talent show

Our Key stage 2 students stepped out on stage last week to entertain their friends. The students were introduced on stage by our fabulous MC's for the morning. With fantastic energy around the MPH the performers dazzled us with their talents. Students cheered and encouraged on their classmates as they performed. We had various performances from singing, dancing, yo-yo, magic tricks, skipping and piano playing.

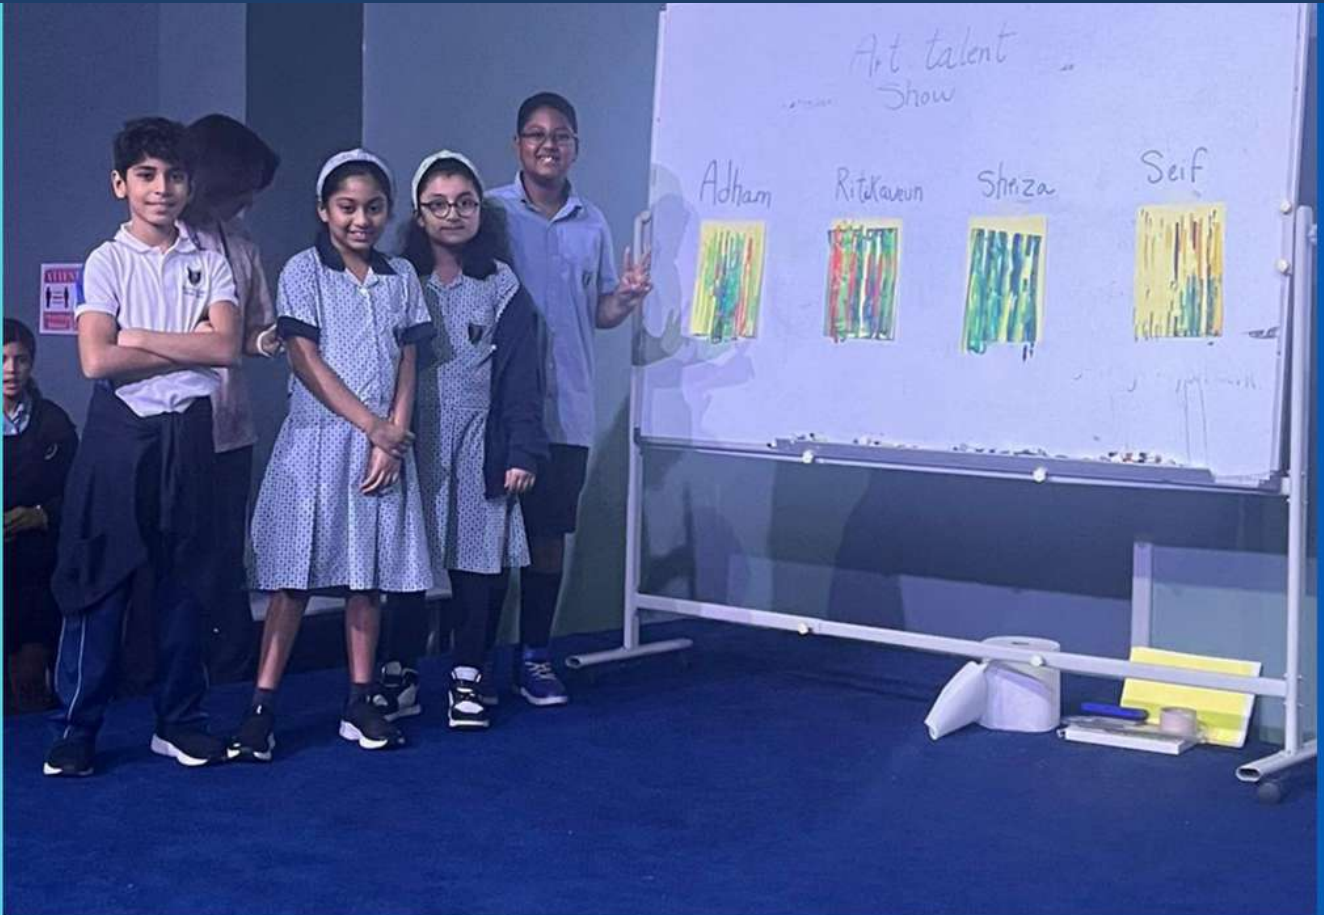

PROFESSIONAL DEVELOPMENT

Here at BBS we have some amazing Continual Professional Development on a weekly basis. We are very lucky to have an amazing team - our Professional Learning Community delivers engaging sessions in - house and we are also treated to external provision from amazing places such as the Alliance Francaise; Google & Pearson to name but a few:

Last week we had great pleasure in welcoming Mrs Flora Launay, Head of Languages at Alliance Française Abu Dhabi, for a CPD session with our teachers about the integration of Artificial Intelligence in Education. She also spoke about the role of the Alliance Française in introducing and teaching French all over the world.

We thank Ms Flora and our amazing staff and Board members for the fabulously engaging experience.

Last Wednesday, after celebrating National Day, we held matches between students and teachers inside the school. The students' team A played against the teachers' team A. The teachers' team won 2-1, and the students' team B played against the teachers' team B. The teachers won this match. Penalty shootout. Then, the students' team B played against the teachers' team A, and the match ended with the students winning on penalties. The teachers' team B played against the students' team A, and the teachers won on penalties. The last match included the teachers' teams A and B. It was an enjoyable match with a lot of enthusiasm and ended with the teachers' team winning 2-1. Everyone enjoyed this event, as all these matches were held in a sporting spirit and the students were excited to play with their teachers. Our goal in these matches is to strengthen the relationship between the student and the teacher.
