# ANTI-BULLYING

On Friday, January 5th, our school turned into a colourful showcase of individuality for our annual Crazy Hat/Hair Day and Odd Socks Event! 🎉👑 This fantastic initiative is brought to you by the Anti-Bullying sector of the Student Council. 🧡

★ The day was filled with laughter, creativity, and a celebration of each student's unique traits! 🎉 We aimed to spread awareness about holistic acceptance, embracing diversity, and creating a supportive environment for everyone. 💙💚💛

👑 Hats soared to new heights, hair defied gravity, and socks danced to their own tune! 🎉👑 It was a day where individuality shined, reminding us all that our differences make us stronger together. 🌟

💙 Thank you to everyone who participated and contributed to making this day a success! Let's continue to foster a culture of acceptance and kindness every day

# PROFESSIONAL DEVELOPMENT

To live our motto of Lifelong Learners we create Professional Learning Communities (PLCs) here in school and hold regular Professional Development sessions.

*Exploring the Depths of Understanding!*

This week's Professional Development session, led by the Secondary Mathematics Department, delved into the art of "Building a foundation of understanding." Our teachers embarked on a dynamic journey, combining learning with laughter!

A highlight of the session was a lively game of explanation, challenging each other to convey concepts with clarity. Heads up, because learning just got a whole lot more engaging!

# MENTAL HEALTH AWARENESS

### Student Spotlight!

A round of applause for Zainab Kashif, 9A, who took the stage during the KS3 Assembly, shining a light on Mental Health awareness! Zainab not only demonstrated exceptional preparation but also delivered a powerful message with confidence and a touch of fun!

It's inspiring to see our students take the lead in important discussions, creating a positive and inclusive environment for all. Keep spreading the light, Zainab!
