Vision, Mission and Values

Belvedere British School to provide an excellent teaching and learning environment where students achieve more due to the high standards expected from our educational philosophy. Ultimately we aim to prepare students for life, based on our values of Tolerance, Respect, and Responsibility.

We provide a holistic education and inspire lifelong learning. Our students are motivated to apply themselves so they achieve their full potential in all aspects of school life. We encourage high and realistic expectations, so our students have aspirations that take them beyond school to their own futures, in the UAE and internationally.

Hello parents

I do hope you all enjoyed a wonderful restful half term break.

We value our partnerships greatly here in BBS and are delighted to offer another opportunity with the Alliance Francaise during our Parents in Partnership session this week. Please do join us to hear all about the exciting developments and relationships we are fostering here in school:

Event poster for 'Parents in Partnership' with Alliance Française Abu Dhabi on Friday 1st March 2024. Includes text about French language learning and a photo of the school staff.

This coming Friday we also have a hugely fun event for FS2 coming up:

The under-11 football team gave a wonderful performance before the break. They won the first match 2-1 against Al Falah School, the second match won 5-0 against Al Diyafah International School, and the third match won 3-0 against Elite Private School, and we qualified for the round of 16 by ranking first in our group. 🙌🙌👏👏

Congratulations

Hi Everyone,

Raya here from my childhood, I loved books and participating in book reading challenges. I was lucky enough to meet famous authors and that made me motivated and inspired to make a book. Now the book didn't come up in just one day but it took six months of writing and imagination.

I chose space because space is my favorite topic. It also includes emotion and empathy so that people can learn how to treat people equally and being kind to everyone. I love Universe and I want to be an Astronaut. I want to discover planets and their environment. The book contains real life problems such as deforestation and air pollution.

**CONGRATULATING RAYA ON HER HUGE
ACHIEVEMENT OF PUBLISHING HER FIRST BOOK!**

Business Studies

★ Our Year 8 students rocked their Young Entrepreneurs' Project! 📁🚀 From delicious snacks to mouthwatering baked goods, they had it all! Check out the highlights from their successful event and relive the excitement! 🍪🍰

SOCIAL MEDIA CLUB

BBS Social Media Club interviewers Oswa & Arij asked around about some fascinating outfits and our students were happy to share their experiences. #recycle #sustainability #bbs #socialmediacub #interview

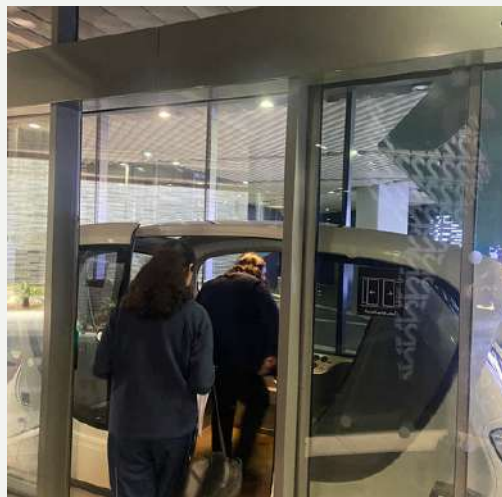

SCHOOL
TRIP

TO

MASDAR
CITY

Y10 & 11 Humanities students visited Masdar City for a very rewarding learning experience before the break:

HAG ALLAILA

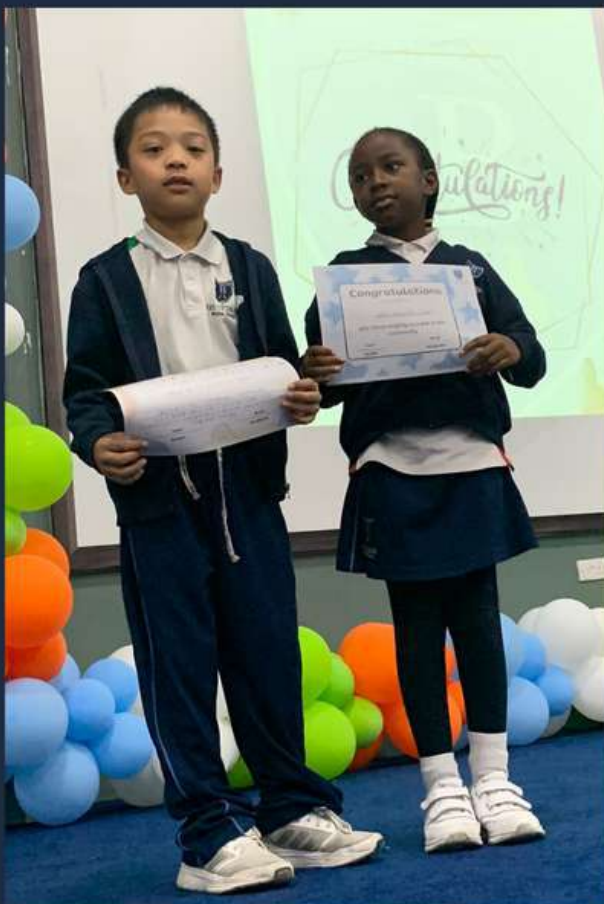

We are truly thankful and appreciative that we all live in such a wonderful place. The Emirati culture is a fascinating blend of old and new traditions which evolves daily. Dates play a huge central part in Emirati life and as such we enlisted the help of our wonderful community to celebrate them as a festival here in school. Many many thanks for all contributions which were gratefully received.

KS2 assembly

Students of Key stage 2 had their weekly assembly on Wednesday. Students were presented with certificates from all classes. Teachers have been monitoring students progress on various aspects of their participation throughout the day. We here encourage students to listen attentively to their teachers, show respect to everyone both inside and outside the school, while participating actively and positively in class discussions.
