Dear Parents,

The under-11 Futsal boys team played the playoff stage last Friday and won the first match in the round of 16 against Nebras School with a wide score of 5-1. They gave a wonderful performance, and on Saturday we played a round-of-8 match against Al-Ikhlas Private School, and it was a strong match. It ended in a draw with a score of 1-1, and then we won in the end on penalties with a score of 5-4. We presented a heroic performance, and then we played our last match in the quarterfinals against Al-Ittihad Private School, and the match ended with a score of 2-2 after we had lost 2-0. With the strength of determination and the strength of character of our students, we came back in the match and scored two goals. Finally, we were unlucky in the penalty shootout and lost 4-3. A big thank you to all the students for their incredible effort during the football tournament. Your dedication and hard work were truly inspiring. And a heartfelt thank you to all the parents for their unwavering support throughout. We couldn't have done it without you!" Congratulations on a fantastic effort in this year's tournament! We're already looking forward to seeing our students become 'champions' next year! Keep up the great work and

World BOOK Day

**KS2 students are very excited
as we count down to World
Book Day on March 7th**

This week, our school assemblies covered two main foci:

- *International Women's Day*
- *Ramadan*

International Women's Day:

Led by Ms Natalie along with input from Mr Jay, Mr Fred, Ms Rena, Ali Al Sultany 10B, Deshna Chaudhari 10A, Nemat Elawad 12A, Vayun Meena 12B, Omar Taha 13A and Aisha Tijani 13A.

This assembly celebrated the amazing women who inspire us on a daily basis and their impact on their wider world. The day marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements or rally for women's equality.

Marked annually on March 8th, International Women's Day (IWD) is one of the most important days of the year to:

- *celebrate women's achievements*
- *raise awareness about women's equality*
- *lobby for accelerated gender parity*
- *fundraise for female-focused charities*

Imagine a gender equal world. A world free of bias, stereotypes, and discrimination. A world that's diverse, equitable, and inclusive. A world where difference is valued and celebrated. Together we can forge women's equality. Collectively we can all #InspireInclusion.

Thank you for your ongoing support and partnership in promoting the well-being and success of our students.

MATHS

This week, something super cool happened in our math class – we did a little bit of art! Yep, you heard it right! Math and art got together to create something amazing.

We didn't just crunch numbers and solve equations. Nope, we got our creative hats on and made some awesome stuff using shapes and pixel art.
