That environment therefore must *'uphold, care for, respect, and protect their dignity'*. This policy sets out our protection measures we have in place for students which focuses on the prevention of their maltreatment as well as the handling of any maltreatment concerns.

The Purpose of this Document is to:

- Emphasize that all staff and volunteers of educational institutions are mandated reporters of cases of alleged and/or suspected maltreatment of students inside and outside the educational institution.
- Define roles and responsibilities of principals, staff, and parents of students in educational institutions for responding to alleged and/or suspected cases of student maltreatment.

The guide on *Handling Student Maltreatment Concerns within Educational Institutions* (ECA, 2024) provides a full list of signs for identifying all types of maltreatment. The *National Policy for the Prevention of Bullying in Educational Institutions* (MoE, n.d.) provides a complete framework for bullying and cyberbullying.

Principles of Student Protection at BBS (in line with ADEK policy)

1. The community at BBS hold the best interests and safety of all enrolled students at the school as a primary consideration in all actions taken to safeguard their wellbeing.
2. It is our responsibility of the educational community at BBS – the principal and all staff – to recognize, respond to, and manage student protection risk and impact to the best of our ability.
3. All mandated reporters and BBS staff and volunteers are responsible and accountable for ensuring student protection measures are in place and applied and upheld.
4. All mandated reporters and BBS staff and volunteers will be protected and shall not be hindered or penalized in any manner for carrying out their responsibilities to report and safeguard students from all forms of maltreatment.
5. All BBS students have the right to be:
 - a. Heard and to express their voice/opinion and participate in select decision-making processes at BBS (these are determined by BBS staff).
 - b. Treated with dignity and respect.
 - c. Treated with fairness and justice.
 - d. Supported by an advocate and provided with necessary support when required.
 - e. Safe, protected from harm, and aware of what constitutes risk and harm.
6. Zero tolerance of all forms of maltreatment is to be implemented and upheld in all actions and environments pertaining to our students.

Policy

1. Legal Obligations and Rights

- 1.1 This policy was developed in line with federal student protection and related regulations and policies (see “References” section).
- 1.2 BBS complies with the provisions of this policy. Every educational institution shall develop and publish a student protection policy to protect students from any maltreatment, provided it meets the minimum standards of what is included in this policy and does not contradict any of its provisions. Institutions may equally adopt the current policy as their own and publish it on their website.
- 1.3 BBS complies with the guide on Handling Student Maltreatment Concerns within Educational Institutions (ECA, 2024) for the management of abuse-related offenses that are reported within and/or occurring within the school.
- 1.4 BBS ensures that our student protection policy has been communicated, understood, and agreed to by all institutional stakeholders (board members, staff and volunteers, parents, and students). Students at BBS receive a **student-friendly version** of the student protection policy, and their assent is obtained when any student protection concerns are raised.
- 1.5 BBS and its principal are guardians of the rights of students to not be exposed to maltreatment. The principal acts as the guardian of all students while they are under the supervision of BBS and shall take responsibilities that fall under this role.
- 1.6 All students have equal rights for care, protection, and safety at BBS. BBS community is fully responsible for the care, protection, and safety of students while under our supervision.

2. Reporting of Concerns of Maltreatment with Educational Institutions

- 2.1** BBS Staff – including any person who, in the performance of their duties, has regular or temporary contact with students and who provides services to students or to BBS – are mandated by Federal Law No. (3) of 2016 Concerning Child Rights to report all cases of alleged and/or suspected maltreatment (conducted by any alleged/suspected perpetrator inside or outside of the educational institution) directly to the ADEK Child Protection Unit (CPU) within 24 hours upon suspicion. BBS Staff should follow the procedures outlined in Figure 1. Safety Concern Referrals in Abu Dhabi Educational Institutions and the guide on Handling Student Maltreatment Concerns within Educational Institutions (ECA, 2024).
- 2.2** All concerns of student maltreatment disclosed at BBS, whether the maltreatment took place inside or outside of the institution, should be notified to the CPC or any other person representing him/her.
- 2.3** The MoE has put in place the National Policy for the Prevention of Bullying in Educational Institutions (n.d.) for handling bullying cases. Therefore, all cases of bullying should be handled in accordance with the procedures defined in that framework. Exceptions related to bullying cases include severe bullying (cases of bullying that have or risk having a significant physical and emotional impact on the student would be considered as maltreatment), which should be handled according to the procedures defined in this policy.
- 2.4** BBS community shall appoint a Child Protection Coordinator (CPC) and a Child Protection Team (CPT), and these appointments shall be reported to ADEK annually.
 - 1.** The CPC shall undergo ADEK-mandated CPC training and would preferably be a senior member of staff or any other member of staff who has experience working with students at educational risk.
 - 2.** The CPT shall undergo any ADEK-mandated training as announced and would typically include 3-5 members consisting of the counsellor and/or social worker as well as relevant members of the senior leadership team, any of whom may or may not take on the role of the CPC. In educational institutions where such a team cannot be formed, the CPC would be responsible for case management within the educational institution, and a delegate should always be nominated in case the CPC is unavailable/unable to perform their duties.
- 2.5** If any BBS staff member, including volunteers, receives an allegation or has a concern that a student may have been maltreated, is being maltreated, or is at risk of maltreatment as defined in the Definitions (Types of Maltreatment) section, they shall report the matter to the CPC, or any other person representing him/her or any other member of the CPT immediately. This includes concerns of maltreatment taking place inside or outside of the premises of BBS.
- 2.6** In case the reporter is unable to reach the CPC, or any other person representing him/her, or other members of the CPT, or it is not in the best interest of the student to inform the CPC or the team, then they should inform the CPU at ADEK and/or the FCA directly by filling out the Safety Concern Form online on the digital safety concern portal.
- 2.7** Emergency cases, where the student is in imminent danger, should be reported without delay by the CPC to the Police (999) and the principal, with a copy of the Safety Concern Form online on the digital safety concern portal.
- 2.8** Emergency cases are detailed in the guide on Handling Student Maltreatment Concerns within Educational Institutions (ECA, 2024).

How should maltreatment concerns identified be handled at BBS?

Below are the procedures for identifying and reporting student maltreatment concerns.

Once a concern of student maltreatment (incl. severe bullying) is raised at BBS, it should be reported directly to the CPC, or any other person representing him/her (all staff at BBS will be trained on identifying maltreatment within their probationary period and refreshed each year thereafter – in line with the operational definitions of the different types of maltreatment included in this document).

Emergency concerns, where the student is in imminent danger, should be reported immediately to the Police and the Principal (see Sections 2.7 and 2.8).

For maltreatment concerns which occurred outside of the supervision of the institution, the CPC, or any other person representing him/her if the CPC is not present, should then fill the Safety Concern Form online on the digital safety concern portal.

The Safety Concern Form will automatically be shared with the ADEK CPU, the FCA and the Mol CPC. FCA will review the case and follow the required procedures for case management.

Maltreatment concerns which occurred under supervision of the educational institution, the staff should inform the CPC or any other person representing him/her if the CPC is not present. The CPC should then complete the Safety Concern Form on the digital safety concern portal. Once submitted, a copy of the Safety Concern Form will then be automatically shared with the FCA, the ADEK CPU and the Mol CPC. The ADEK CPU will review the information first before referring to the FCA for case management, who will take the necessary procedures for follow-up on the cases after receiving the report.

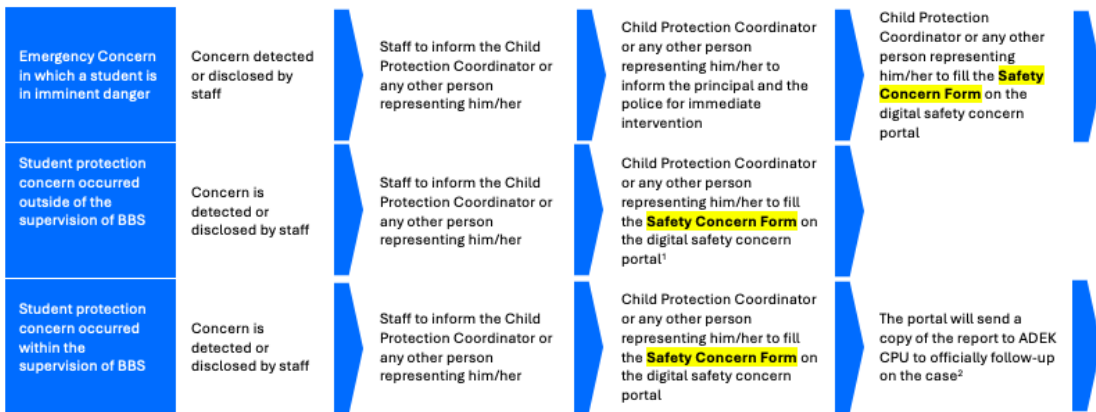

It is important to note that the ADEK CPU reserves the right to conduct or to designate qualified institutional personnel to conduct the initial safety and risk assessment before reporting the concern to the FCA.

If the ADEK CPU refers the concern to the FCA, the concern would then be managed by the CPS at the FCA. The ADEK CPU should still provide administrative support (e.g., sharing relevant information) to enable the FCA to conduct the needed assessments and other activities related to case management.

If the ADEK CPU does not report the case to the FCA, the concern is returned to BBS with the justification, and BBS is asked to collect additional information before submitting another Safety Concern Form.

In all situations, the ADEK CPU would ensure that the concern gets logged and responded to.

Figure 1. Safety Concern Referrals in Abu Dhabi Educational Institutions summarizes how maltreatment concerns should be handled in cases where the alleged maltreatment occurred both inside and outside of the supervision of the educational institution.

¹After submitting the **Safety Concern Form** on the digital safety concern portal, a copy of the report is automatically shared with FCA, ADEK CPU, and Mol CPC

²For cases occurring within the supervision of BBS, the ADEK CPU will review the information first before referring to the FCA for case management. Note: the ADEK CPU will take the necessary procedures to follow up on the cases after receiving the report.
